March 20, 1945

Hello Mr. Manally,

How's things? Ok I hope. Well the old baseball season has finally got around. We're working hard every day, trying to get our team in shape. Campbell is managing our Ball Club this season. We're planning on having one of the strongest simmpro teams in the South. We're coming East.

How're you getting alone with your boys? Hope they all, reported and is in the best of shape. Haven't seen you since the football game in Greensboro. Curry is here now and we're planning on having a farm team for the Stars.

Let us no when you are coming this way and we'll do all we can for you. Let me hear from you soon. If it is possible, please get me one dozen of good bats. Thats all I need. This is all for this time. Send them C.O.D.

Yours in sports
W. H. Allen.
